**Proposed Solution for Freelance Finder**

S. No.	Parameter	Description
1	<b>Problem Statement</b> (Problem to be solved)	Freelancers and clients struggle with inefficient project discovery, poor communication, and unreliable payment processes, leading to missed opportunities and frustration.
2	<b>Idea / Solution Description</b>	SB Works is a full-stack freelancing platform (React frontend + Node.js backend) that allows clients to post diverse projects, freelancers to bid, and both to collaborate via an integrated chat system with secure work submission and feedback loops, supported by admin oversight.
3	<b>Novelty / Uniqueness</b>	<ul style="list-style-type: none"><li>- Personalized project recommendations based on skills and past performance</li><li>- Secure project submission with real-time feedback</li><li>- Admin-managed quality assurance</li><li>- Notification system for project updates and deadlines</li></ul>
4	<b>Social Impact / Customer Satisfaction</b>	<ul style="list-style-type: none"><li>- Enables freelancers to showcase skills and build careers globally</li><li>- Supports businesses with tailored talent solutions</li><li>- Enhances trust through transparent feedback and admin support</li><li>- Promotes a balanced work-life environment for freelancers</li></ul>
5	<b>Business Model (Revenue Model)</b>	<ul style="list-style-type: none"><li>- Free basic access for freelancers with optional upgrades</li><li>- Transaction fees on completed projects</li><li>- Premium features like enhanced profile visibility and priority support</li><li>- Corporate packages for multiple project postings</li></ul>
6	<b>Scalability of the Solution</b>	<ul style="list-style-type: none"><li>- Adaptable to international markets with localized interfaces</li><li>- Mobile-optimized design with potential for a dedicated app</li><li>- Flexible architecture to add features like portfolio analytics and skill certifications</li></ul>
